Education

- 2022–25 **M.Sc.**, Mechanical Engineering - Mechatronics Track, Politecnico di Milano (PoliMI)
2017–22 **B.Sc.** Mechanical Engineering, Middle East Technical University (METU)
2013–17 **Highschool Diploma** Scholarly Development Program, TED Ankara College

Research Experience

- 2025–26 Research Intern, Universitat Politècnica de Catalunya,
(Advisors: [Antoni Guillamon](#), [Adrián Ponce-Alvarez](#))
2024–25 Research Collaboration, SUPSI/IDSIA,
(Advisor: [Loris Roveda](#))
2020–22 Research Intern, [METU Engineered Biosystems Laboratory](#),
Middle East Technical University, (Advisor: [Altug Ozelikkale](#))

Work Experience

- 2019 Manufacturing Engineering Intern, [FNSS Inc.](#), Ankara, Turkey (short term internship on mechanical design and manufacturing methodologies, theoretical and applied)

Workshops and Conferences

- 2025 [ERNSI Workshop on System Identification](#), Bordeaux, France
2026 [CDC 65th Conference on Decision and Control](#)^{*}, Honolulu, Hawaii, USA

Publications

- Posters [Advancing Dynamical Identification Methodologies Through In- Context Dynamical Metalearning: A Comparison Between Different Neural Architectures](#)
Conferences [Diffusion Sequence Models for Generative In-Context Meta-Learning of Robot Dynamics](#)[†]

^{*}Upcoming.

[†]Preprint.

Awards & Honors

2017	Class of 17 Honor Student TED Ankara College
2022	Class of 22 Honor Student Middle East Technical University
2019–22	Undergraduate Scholarship Recipient Nurol Holding

Theses

2024–25	In Context Meta-Learning Identification of Dynamic Systems, MSc Thesis, (Advisor: Loris Roveda)
2022–22	A LiDAR Stabilization Method for 3D Orthogonal Mapping, BSc Thesis, (Advisor: Erhan Ilhan Konukseven)

Projects

2025–	Spatio-Temporal Neuronal Avalanches on Wilson-Cowan Models, (Advisor: Adrián Ponce-Alvarez)
2025–	Single Neuron Dynamical Identification and Conductance Estimation, (Advisor: Antoni Guillamon)
2025–26	Diffusion Sequence Models for Generative In-Context Meta-Learning of Robot Dynamics, (Advisor: Loris Roveda)

Academic and Language Skills

Academic	C/C++, Python (Pytorch), MATLAB; HTML/CSS,; git; LaTeX, Office Suite COMSOL, ABAQUS Siemens NX, SolidWorks Linux, Windows
Language	Turkish (Native), English (Fluent), French (Advanced), German (Intermediate), Italian (Basic), Portuguese (Basic)

Extracurricular Interests

poetry, literature, equestrianism, music, traveling...
